WHEREAS, the County Council of Talbot County, Maryland, has been advised by the Director of Emergency Management for Talbot County and the local Health Officer that COVID-19, a respiratory disease that spreads easily from person to person and may result in serious illness or death, is a public health catastrophe and a public safety emergency; and

WHEREAS, on March 5, 2020, a Declaration of State of Emergency and Existence of a Catastrophic Health Emergency was declared by the Governor of the State of Maryland; and

WHEREAS, on March 13, 2020, a Proclamation on Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak was issued by the President of the United States; and

WHEREAS, on March 16, 2020, the Talbot County Council adopted an Emergency Declaration declaring a state of emergency in the County for a period of 30 days and ordering the temporary closure of certain buildings and the suspension of certain meetings in order to prevent the spread of COVID-19; and,

WHEREAS, Talbot County is and has long been a vacation destination, particularly for tourists and visitors coming from large metropolitan areas, such as Washington, D.C., Baltimore, Philadelphia, and New York, which are experiencing rapid escalation in the numbers of new COVID-19 cases; and,
